

OLD WEST RENOVATIONS INSTALLATION WARRANTY

Installing windows and doors is something that probably occur only once or twice in your home. We stand behind the products that we install. Our customers are confident that we will be there for the life of their windows and doors. Not only do you have the manufacturers warranty for the product, we will ensure that the workmanship and the products we use to install your windows and doors will be free from defects for a period of (10) ten years from installation date. The warranty given to the original homeowner is transferable , but will not extend past the original 10 year period.

This warranty is limited to work performed by Old West Renovations . In case of defect, the homeowner should notify Old West as soon as possible. If Old West Renovations finds that the items requiring attention are covered by this warranty, we will repair or replace the defective materials or workmanship at our cost and expense , except if Old West Renovations finds that such repairs are necessary by negligence or intentional misconduct by the homeowner, or any party or parties associated with the homeowner. Old West is not liable for any damage resulting from installation (floors, walls, exterior walls etc.)

This warranty shall be void if any materials which were originally installed by Old West , have been repaired, adjusted or modified by any other than Old West Renovations .

Repairs under this warranty shall not carry a new warranty , but will carry only to the end of the original warranty date.
