

To Old West Renovations,

Dec.12 ,2008

Dear Rick, Cory, Sean,

You did a wonderful job installing my windows. You all did the job quickly and efficiently .

You also helped me with my blinds and curtains and moving my furniture. You also shovelled my sidewalk. I couldn't be more pleased with the installation. I would gladly recommend your company to your future customers.

Thanks so much !

Yours truly,
Marion Frazer
