CALGARY, ALBERTA T2V 0E6

February 5, 1996

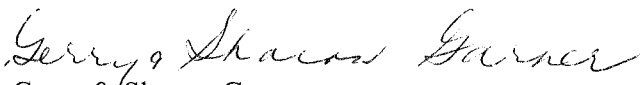

To Whom It May Concern:

Old West Renovations Ltd. provided and installed a new entry door at our residence - changing the frame, insulating same and providing the trim, as well as reinstalled a window in the new door.

We found Rick Whatley to be a courteous, experienced representative of the firm and were completely satisfied with the installation and cleanup thereafter.

Without question, we would recommend the company's product and services.

Yours truly

Gerry & Sharon Garner
